

## ***Zero Waste to Landfill***

07/03/2024

Dear Mary & Craig,

Please see details below on the various material types collected from Falcon Foodservice Equipment, Stirling, FK9 5PY and the disposal route each material goes to:

<b>Material Type</b>	<b>Disposal Route</b>
Ferrous & Non Ferrous Metals	Recycled
Mixed Recycling	Recycled
Food Waste	Anaerobic Digestion
Wood	Recycled
General Waste	Recovery / Waste to Energy
WEEE Waste	Recycled
Hazardous Waste	Recycled / Incineration

Falcon Foodservice Equipment source segregate all materials to ensure the quality of each material type isn't compromised before it leaves site for processing. All waste generated from Falcon Foodservice Equipment is fully diverted from landfill via the above disposal routes.

Kind Regards
